

Redondo Heights Park-and-Ride/SR-99

The Redondo Heights Park-and-Ride/SR 99 project provides a new 700 stall surface park-and-ride at the northeast corner of the intersection of Pacific Highway South (SR-99) and South 272nd Street. The project features a bus loading area that accommodates three buses and a layover area that can hold up to four buses. Also included in the project are three bus shelters, a new traffic control signal and landscaping.

Mode

Bus
